Geography

Year 2 Mugurameno Village, Zambia

What I should already know:

- I know that we have different types of weather
- I know about weather types in the UK
- I know the difference between urban and countryside

What I should know by the end of this topic:

- Mugurameno village is located right next to the River Zambezi and close to the Lower Zambezi National Park.
- People in Mugurameno use the river for many things: washing, fishing and watering crops. One of the main crops is maize, which is used for making nshima (a sort of porridge).
- People often build their own homes out of bricks made from local clay soil.
- While life is busy for the children of Mugurameno, they go to school and find time to play.

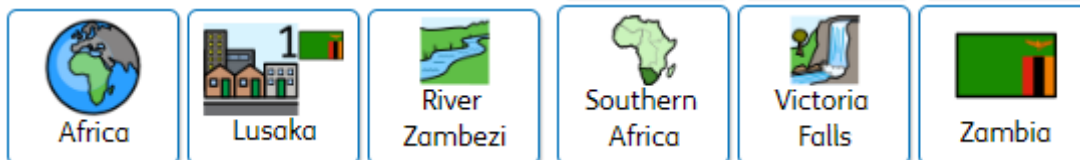

Skills and key knowledge:

- Be able to locate Zambia on a map.
- Exploring physical and human features.
- Locate the village of Mugurameno.
- Finding out how the river is used in the village.
- Looking at the villagers' houses.
- Comparing our life with that of the villagers.

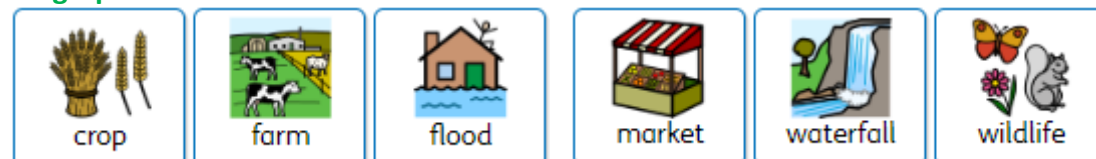

- Zambia is a country in southern Africa.
- Zambia has a tropical climate, so it's warm for most of the year. There is a dry season and a wet season.
