

Robin Class Homework Term 3

Reading is regular homework. Please make sure to read daily and record any reads in your reading record to receive a Class Dojo point! Please also take a look at the spelling and Key Instant Recall Facts (KIRFS) documents on our class page on the school website.

Please select one homework task each week. You are more than welcome to complete more than one task if you would like. When you have completed a task, colour in the activity with the corresponding colour. Try to get a balance of colours over the term to ensure that you practise a range of skills.

Please bring your homework books into school on a Friday and we will mark it. You can record the practical tasks in a number of ways including a photograph, a comment from a parent, a written review of the task.

Have fun!
