

Swan Class Homework Term 1

Homework in Key Stage 2

Dear all,

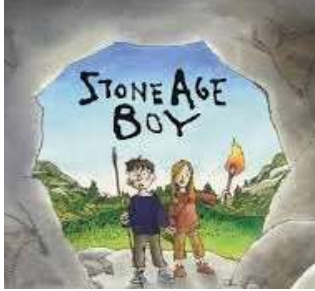

As we are all getting to grips with being in a new key stage with new expectations, I wanted to ease us all into the homework expectations for Year 3. So, for term 1, please focus on reading, practising some spellings from the overview and if you would like to, an activity from the grid below.

In Year 3, the homework expectations are: reading at least 3 x a week, an activity from the grid, weekly spelling practise for our weekly spelling quizzes and timetables practise. These expectations will begin in term 2 to allow the children time to settle into year 3.

In term 1, we are completing the Little Wandle spelling programme and will begin using EdShed to set spellings each week from term 2. The children will also be set up on Timestable Rockstars ready for term 2, which is an online platform with games and activities to support learning timetables.

If you have any questions about homework or the homework expectations for year 3 in term 2, please don't hesitate to get in touch with me through Dojo or the office.

Thank you.
Miss Mitten

		Stone Age		
<p>Create an acrostic poem using the word 'Stone Age'.</p> <p>S T O N E A G E</p>	<p>What tools were used in the Stone Age? What tools do we still use today? Research Stone Age tools and their uses.</p>	 <p>Stone Age Boy by Satoshi Kitamura is our class text for writing this term. Imagine you are a Stone Age child. What would your day be like? What would you have to do? Write a diary entry pretending to be a Stone Age child.</p>	<p>Create types of paint by crushing berries, grass, leaves and other natural materials. Use the paint to make a picture that you might see in a Stone Age cave.</p>	<p>Can you find out what Stone Age people used to eat?</p> <p>Create a recipe of a meal they would eat.</p>
<p>Create a poster with your ten favourite Stone Age facts and decorate it.</p>	<p>List all the jobs that people had to do during the Stone Age. Can you list at least ten jobs? Which job would you like to have done? Why? What would it have been like?</p>	<p>People in the Stone Age used marks when they were counting. Can you count how many toys or books you have and use tally marks to record this? <u>Challenge:</u> Can you represent this data in a bar chart?</p>	<p>Research and draw the animals that existed during the Stone Age.</p> 	<p>Research what a Stone Age person's cave would have looked like. Draw a picture of what your cave would look like if you lived in the Stone Age.</p>
