

Swan Class Homework Term 6

Homework in Key Stage 2

Dear all,

Welcome to term 4! Please remember that **reading is regular homework. Please make sure to read daily and record any reads in your reading record to receive a Class Dojo point!** Please also take a look at the spelling and Key Instant Recall Facts (KIRFS) documents on our class page on the school website.

Have a go at logging in to Timestables Rockstar and practising your timestables.

Please select one homework task each week. You are more than welcome to complete more than one task if you would like. When you have completed a task, colour in the activity with the corresponding colour. Try to get a balance of colours over the term to ensure that you practise a range of skills.

Please bring your homework books into school on a Friday and we will mark it. You can record the practical tasks in a number of ways including a photograph, a comment from a parent, a written review of the task.

Have fun!

Remember	Reading	Maths – Fractions & Measure	English- Fairytales	Science- Rocks and Fossils	Geography: South America
<p>Try out Timestable Rockstars! Your are practising your 2s, 5s, 10s, 3s, and 4s and 8s! Don't forget to use Timestable Rockstar! This is super important to prepare them for year 4 and the national multiplication test.</p> <p>If you need the log in for Timestable Rockstars again please let me know via Dojo.</p>	<p>Please read as much as possible this term to support the children towards doing their best on their reading assessments.</p> <p>Please also focus on asking questions about what they've read, the order of events, predicting what may happen next and why certain things have happened.</p>	<p>Money This term, we are focusing on money. Ask a grown up if you can count any coins you have at home.</p> <p>When you go supermarket shopping, write your own wish list of items. Write down how much they cost. If you are feeling really brave you could add the amounts together and work out the total.</p>	<p>Remember to learn your spellings. We will have a practise every Friday.</p> <p>Please further support your spelling practise by writing the word into a sentence to show you understand it.</p>	<p>This term we are learning about rocks and fossils.</p> <p>Do you have any special rocks, crystals and especially fossils you would like to bring in and share with us?</p>	<p>What can you discover about South America?</p>
	<p>If you would like to support your child further with developing reading and comprehension, I can give you additional reading comprehension.</p> <p>Please let me know on Dojo if you would like some additional reading comprehension sheets printed and I will send these out once a week.</p>	<p>Mental arithmetic We are focusing on revising many of the mental arithmetic methods learnt this year, so if you would like any additional homework to support this at home, let me know and I will send you additional sheets once a week.</p>	<p>This term, we are focusing on fairy tales...can you read some fairy tales and write a synopsis (short paragraph about the story)?</p> <p>Can you think of your own fairy tale character and write a short story for them?</p>	<p>ART We are learning about abstract sculpture and the artist Sir Antony Caro. What can you find out about him? Look at some of his sculptures and write about what they are like.</p>	<p>Brazil We are also going to focus on Brazil as a place to study. Can you find out anything about the culture or recreational activities enjoyed by people living in Brazil?</p>
