

Year 3 Term 5 Spelling overview

For the children in year 3 who have completed Little Wandle, the children are now working on spellings from the year 3 spelling curriculum. These are the spellings the children will be learning over this term until they are set up on EdShed. They will have 5 spelling words to focus on. These are taken from the spelling practise on EdShed and we will have a mini spelling quiz on Fridays.

If you would like to extend the spelling practise, you could write sentences containing the words.
