

Wren Class Homework Term 2- Celebrations!

Reading is regular homework. Please make sure to read daily and record any reads in your reading record to receive a Class Dojo point! Please also take a look at the spelling and Key Instant Recall Facts (KIRFS) documents on our class page on the school website.

Please select one homework task each week. You are more than welcome to complete more than one task if you would like. When you have completed a task, colour in the activity with the corresponding colour. Try to get a balance of colours over the term to ensure that you practise a range of skills.

Please bring your homework books into school on a Friday and we will mark it. You can record the practical tasks in a number of ways including a photograph, a comment from a parent/carer, or a written review of the task.

Have fun!

How many times can you throw and catch a ball with a partner without dropping it? Make this challenge harder by standing further apart!	Practise recalling number bonds of 10. You could use this song or game to help you! www.youtube.com/watch?v=ID9tjBUixs0 www.topmarks.co.uk/maths-games/hit-the-button	Take a walk around your garden or local park to look for signs of Autumn/Winter. You could record your findings by drawing, writing, taking photos or even creating a collage!	This term in English, we will be reading the text, Stanley's Stick. Find your own stick and make, draw or write about what it could become, e.g. a person, a dinosaur, a magic pen, a broomstick.	Create a picture to celebrate Bonfire Night! You could draw, paint, collage or even get creative on your computer! 
Draw a picture of yourself and label all of the things that make you special and unique!	Go on a shape hunt around your house or garden! Draw pictures of any 2D and 3D shapes you find.	Create your own repeating pattern similar to the type you find on wrapping paper. 	Draw or write about a celebration you have attended.	Go to watch a fireworks display or watch a video of a display. Use your senses to describe what you can see, hear, smell, touch and taste.
